

**INDEPENDENT AUDITORS' REPORT**

**To**  
**The Members of SULOG TRANSSHIPMENT SERVICES LIMITED**

**Report on the Financial Statements****Opinion**

We have audited the accompanying financial statements of **SULOG TRANSSHIPMENT SERVICES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the [Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

**Basis of Opinion**

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rule thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' Report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure 'A'** a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
  
2. As required by Section 143 (3) of the Act, we report that:

4. The Company has not granted any loans or given any guarantee and security covered under Section 185 and 186 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iv) of the order are not applicable to the company and hence not commented upon.
5. According to the information given to us, the Company has not accepted any deposits under the provisions of section 73 to 76 of the Companies Act, 2013 or any other relevant provisions of the companies Act and the Companies (Acceptance of Deposits) Rules, 2014 as amended from time to time. No order has been passed with respect to Section 73 to 76, by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other tribunal.
6. To the best of our knowledge and as explained, the maintenance of cost records as specified by the Central Government under sub-section (l) of section 148 of the Companies Act, 2013 is not applicable to the company.
7. (a) Undisputed statutory dues including provident fund, employee' state insurance, income tax, duty of customs, Goods & Services Tax, cess and other statutory dues, as applicable have generally been regularly deposited with the appropriate authorities and there are no undisputed dues outstanding as at 31<sup>st</sup> March, 2020 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no material dues in respect of income tax and Goods & Services Tax which have not been deposited with the appropriate authorities on account of any dispute. To the best of our knowledge and as explained, the Company does not have any other statutory dues i.e. wealth tax, service tax, duty of customs, duty of excise and value added tax as mentioned in para (vii) (b) of the Order.
8. According to the records of the Company examined by us and the information and explanations given to us, the Company has not taken loans or borrowing from financial institution, bank, government or issued any debentures. Accordingly, the provisions of clause 3(viii) of the order are not applicable to the company.
9. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans. Accordingly, provisions of clause 3 (ix) of the Order are not applicable to the Company.
10. According to the information and explanations given to us and as represented by the Management and based on our examination of the books and records of the Company and in accordance with generally accepted auditing practices in India, we have been informed that no case of frauds has been committed on or by the Company or by its officers or employees during the year.
11. In our opinion and according to the information & explanations given to us , the Company has paid managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V of the Companies Act, 2013.
12. The company is not a Nidhi Company. Accordingly, the provisions of clause 3 (xii) of the Order are not applicable to the Company.
13. According to the information and explanations given to us, all transactions with the related parties are in compliance with section 188 of Act, and where applicable the details have been disclosed in the Financial Statements as required by the applicable accounting standards. However, the provisions of Section 177 of the companies act are not applicable on the company.
14. The Company has not made any preferential allotment or private allotment of shares or fully or partly convertible debentures during the year. Accordingly, provisions of clause 3 (xiv) of the Order are not applicable to the Company.
15. The Company has not entered into any non-cash transactions with the directors or persons connected with him as covered under Section 192 of the Companies Act, 2013. Accordingly, provisions of clause 3 (xv) of the Order are not applicable to the Company.

## **ANNEXURE 'B' TO INDEPENDENT AUDITORS' REPORT**

Annexure referred to in our report of even date to the members of **SULOG TRANSSHIPMENT SERVICES LIMITED** on the accounts for the year ended 31<sup>st</sup> March, 2020

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **SULOG TRANSSHIPMENT SERVICES LIMITED** ("the Company") as of 31<sup>st</sup> March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company and the components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2020, based on the internal control over financial reporting criteria established by the Company and the components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

**SULOG TRANSSHIPMENT SERVICES LTD (FORMERLY KNOWN AS SULOG TRANSSHIPMENT SERVICES PRIVATE LIMITED)**

**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS (Note no: 17)**

**1. Corporate and General Information**

Sulog Transshipment Services Limited (Formerly known as Sulog Transshipment Services Private Limited) is a Company incorporated on 10<sup>th</sup> June, 2011 with the main object to carry on the business of international surface and sea transport agents and cargo booking agents, third party logistics and to facilitate and provide transportation of cargo whether in India or abroad and to act as shippers, shipbrokers, agents, loading breakers and to provide consultancy and infrastructure for port and marine including coastal, ocean going and coastal transport.

To provide transport management logistics and solutions for marine and non-marine segments of transport companies.

To carry on the business as a ship owner and ship management including ship crewing, commercial ship management, technical management, chartering, sale and purchase of ships and offshore vessels, inspections and marine consultancy.

**2. Basis of preparation**

The financial statements provide comparative information in respect to the previous year. In addition, the company presents additional statement of Balance Sheet as at the beginning of the previous year, which is the transition date to IND AS.

The significant accounting policies used in preparing the financial statements are set out in Note no. 3 of the Notes to the Financial Statements.

The preparation of the financial statements requires management to make estimates and assumptions. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years (refer Note no. 4 on critical accounting estimates, assumptions and judgements).

**3.0 Significant Accounting Policies**

**3.1 Basis of Measurement**

The financial statements have been prepared on accrual basis and under the historical cost convention except following which have been measured at fair value:

- financial assets and liabilities except borrowings carried at amortised cost,
- Property, plant and equipment on transition to IND AS, refer Note no. 21 (12) of notes to accounts.

**3.2 Property, Plant and Equipment**

Property, Plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

**SULOG TRANSSHIPMENT SERVICES LTD (FORMERLY KNOWN AS SULOG TRANSSHIPMENT SERVICES PRIVATE LIMITED)**  
**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS (Note no: 17)**

All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Assets are depreciated to the residual values on a straight line basis over the estimated useful lives based on technical estimates which is different from one specified in Schedule II to the Companies Act, 2013. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets and benchmarking analysis or whenever there are indicators for review of residual value and useful life. Changes in the expected useful life of assets are treated as change in accounting estimates. Freehold land is not depreciated. Estimated useful lives of the assets are as follows:

Category of Assets	Years
- Vessel	20
- Plant and Machinery	15
- Vehicles	8 - 10

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss on the date of disposal or retirement.

### **3.3 Impairment of non-current assets**

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

### **3.4 Cash and cash equivalents**

Cash and cash equivalents includes cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

For the purpose of the Statement of Cash Flows, cash and cash equivalents include, outstanding bank overdrafts shown within the borrowings in current liabilities in the Balance Sheet and which are considered an integral part of the Company's cash management.

### **3.5 Inventories**

Inventories of fuel oil and stores and spares are carried at cost or net realisable value whichever is lower. Cost is determined on first in first out basis.

**SULOG TRANSSHIPMENT SERVICES LTD (FORMERLY KNOWN AS SULOG TRANSSHIPMENT SERVICES PRIVATE LIMITED)**

**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS (Note no: 17)**

**3.6 Employee benefits**

- a) Short term employee benefits are recognized as an expense in the Statement of Profit and Loss of the year in which the related services are rendered.
- b) Leave encashment being a short term benefit is accounted for using the projected unit credit method, on the basis of actuarial valuations carried out by third party actuaries at each Balance Sheet date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to profit and loss in the period in which they arise.
- c) Contribution to Provident Fund, a defined contribution plan, is made in accordance with the statute, and is recognised as an expense in the year in which employees have rendered services.
- d) The cost of providing gratuity, a defined benefit plans, is determined using the Projected Unit Credit Method, on the basis of actuarial valuations carried out by third party actuaries at each Balance Sheet date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to other comprehensive income in the period in which they arise. Other costs are accounted in statement of profit and loss.

The Company operates a defined benefit plan for gratuity, which requires contributions to be made to a separately administered fund. The fund is managed by a trust. The trust has taken policies from an insurance company. These benefits are partially funded.

**3.7 Foreign currency reinstatement and translation**

*(a) Functional and presentation currency*

These financial statements have been presented in Indian Rupees which is the Company's functional and presentation currency.

*(b) Transactions and balances*

Transactions in foreign currencies are initially recorded by the Company at rates prevailing at the date of the transaction. Subsequently monetary items are translated at closing exchange rates of balance sheet date and the resulting exchange difference recognised in profit or loss. Differences arising on settlement of monetary items are also recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the transaction. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the exchange rates prevailing at the date when the fair value was determined. Exchange component of the gain or loss arising on fair valuation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to such exchange difference.

**3.8 Financial instruments – initial recognition, subsequent measurement and impairment**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**SULOG TRANSSHIPMENT SERVICES LTD (FORMERLY KNOWN AS SULOG TRANSSHIPMENT SERVICES PRIVATE LIMITED)**  
**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS (Note no: 17)**

**a. Financial Assets**

Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those financial assets and the assets contractual cash flow characteristics.

Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

**Trade receivables**

A receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

A provision for impairment is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. The estimated impairment losses are recognised in a separate provision for impairment and the impairment losses are recognised in the Statement of Profit and Loss within other expenses.

Subsequent changes in assessment of impairment are recognised in provision for impairment and the change in impairment losses are recognised in the Statement of Profit and Loss within other expenses.

Individual receivables which are known to be uncollectible are written off by reducing the carrying amount of trade receivable and the amount of the loss is recognised in the Statement of Profit and Loss within other expenses.

**Investment in equity shares**

Investment in equity securities are initially measured at fair value. Any subsequent fair value gain or loss is recognized through Profit or Loss if such investments in equity securities are held for trading purposes. The fair value gains or losses of all other equity securities are recognized in Other Comprehensive Income.

**a) Financial Liabilities**

At initial recognition, all financial liabilities other than fair valued through profit and loss are recognised initially at fair value less transaction costs that are attributable to the issue of financial liability. Transaction costs of financial liability carried at fair value through profit or loss is expensed in profit or loss.

Financial liabilities are classified in two categories; subsequent measurement of financial assets is depended on initial categorisation. These categories and their classification are as below:

**SULOG TRANSSHIPMENT SERVICES LTD (FORMERLY KNOWN AS SULOG TRANSSHIPMENT SERVICES PRIVATE LIMITED)**  
**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS (Note no: 17)**

**i. Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date at fair value with all the changes recognized in the Statement of Profit and Loss.

**ii. Financial liabilities measured at amortized cost**

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method ("EIR").

Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the effective interest method. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

*Trade and other payables*

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

**3.9 Equity share capital**

Ordinary shares are classified as equity. Incremental costs net of taxes directly attributable to the issue of new equity shares are reduced from retained earnings, net of taxes.

**3.10 Taxation**

The Company has opted to pay direct taxes as per Tonnage Tax Scheme.

There is no timing difference and therefore no Deferred Tax Asset/Liability is created.

**SULOG TRANSSHIPMENT SERVICES LTD (FORMERLY KNOWN AS SULOG TRANSSHIPMENT SERVICES PRIVATE LIMITED)**  
**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS (Note no: 17)**

**3.11 Revenue recognition and other operating income**

***Sale of goods***

Revenue is recognized at the fair value of consideration received or receivable and represents the net invoice value of goods supplied to third parties after deducting discounts, volume rebates and outgoing sales tax and are recognized either on delivery or on transfer of significant risk and rewards of ownership of the goods. Revenue is inclusive of excise duty and excise duty is presented separately to present revenue net of excise duty.

Freight and demurrage earnings are recognized on completed voyage basis/ upon loading/unloading of the Vessel depending upon the risk and rewards transferred. Time Charter earning are recognized on accrual basis except where the charter party agreements have not been renewed/ finalized, in which case it is recognized on provisional bases.

***Other Income***

**Interest**

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

**3.12 Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares, if any.

**3.13 Provisions and contingencies**

**Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

**i). Gratuity and leave encashment provision**

Refer Note no 3.6 for provision relating to gratuity and leave encashment.

**SULOG TRANSSHIPMENT SERVICES LTD (FORMERLY KNOWN AS SULOG TRANSSHIPMENT SERVICES PRIVATE LIMITED)**

**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS (Note no: 17)**

**Contingencies**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

**3.14 Current versus non-current classification**

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- a) It is expected to be settled in normal operating cycle,
- b) It is held primarily for the purpose of trading,
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

**4. Critical accounting estimates, assumptions and judgements**

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the financial statement:

*(a) Property, plant and equipment*

External adviser or internal technical team assess the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable.

On transition to IND AS, the Company has adopted exception for fair valuation of property, plant and equipment, impact of fair valuation is provided in Note no 12, subsequent to fair valuation depreciation has been charged on fair valued amount less estimated salvage value. On transition to IND AS, the Company has revisited useful life of various categories of assets, impact of revision in estimate of useful life of various assets is provided in Note no 1. Property, plant and equipment also represent a significant proportion of the asset base of the Company. Therefore, the estimates and assumptions made to determine their carrying value and related depreciation are critical to the Company's financial position and performance.

*(b) Income taxes*

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the financial statements.

*(c) Contingencies*

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

*(d) Allowance for uncollected accounts receivable and advances*

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible.

Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

*(e) Insurance claims*

Insurance claims are recognised when the Company have reasonable certainty of recovery. Subsequently any change in recoverability is provided for.

**5. Financial risk management**

**5.1 Financial risk factors**

The Company's principal financial liabilities, comprise borrowings and trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash that arise directly from its operations. The Company's activities expose it to a variety of financial risks:

**SULOG TRANSSHIPMENT SERVICES LTD (FORMERLY KNOWN AS SULOG TRANSSHIPMENT SERVICES PRIVATE LIMITED)**

**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS (Note no: 17)**

**i) Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise two types of risk: interest rate risk and other price risks such as commodity risk. Financial instruments affected by market risk include loans and borrowings and investments. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as of March 31, 2020 and March 31, 2019.

**ii) Credit risk**

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

**iii) Liquidity risk.**

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

**Market Risk**

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations provisions and on the non-financial assets and liabilities. The sensitivity of the relevant Statement of Profit and Loss item is the effect of the assumed changes in the respective market risks. The Company's activities expose it to a variety of financial risks.

**(a) Foreign exchange risk and sensitivity**

The Company transacts business primarily in Indian Rupee. However, certain expenditures are incurred in foreign currency. The Company has foreign currency trade payables and is therefore, exposed to foreign exchange risk.

The following table demonstrates the sensitivity in the USD to the Indian Rupee with all other variables held constant. The impact on the Company's profit before tax due to changes in the fair value of monetary assets and liabilities is given below:

**(a) Interest rate risk and sensitivity**

The company has not any floating rate borrowing. Therefore there is no interest rate sensitivity.

**Credit risk**

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, and other financial instruments.

- Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. The Company has also taken advances and security deposits from its customers & distributors, which mitigate the credit risk to an extent.

**Liquidity risk**

The Company's objective is to; at all times maintain optimum levels of liquidity to meet its cash and collateral requirements.. In case of temporary short fall in liquidity to repay the bank borrowing/operational short fall , the company uses mix of capital infusion and borrowing from its holding company. However, the company envisage that such short fall is temporary and the company would generate sufficient cash flows as per approved projections.

The table below provides undiscounted cash flows towards non-derivative financial liabilities into relevant maturity based on the remaining period at the balance sheet to the contractual maturity date.

**Fair Valuation techniques**

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Long-term fixed-rate and variable-rate receivables / borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings is not material different from carrying values. For fixed interest rate borrowing fair value is determined by using the discounted cash flow (DCF) method using discount rate that reflects the issuer's borrowings rate. Risk of non-performance for the company is considered to be insignificant in valuation.

The fair value of fixed interest bearing loans, borrowings and deposits is estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

IND AS 101 allow Company to fair value property, plant and machinery on transition to IND AS, the Company has fair valued property, plant and equipment, and the fair valuation is based on replacement cost approach.

**Fair Value hierarchy**

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

**SULOG TRANSSHIPMENT SERVICES LTD (FORMERLY KNOWN AS SULOG TRANSSHIPMENT SERVICES PRIVATE LIMITED)**  
**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS (Note no: 17)**

Quoted prices / published NVA (unadjusted) in active markets for identical assets or liabilities (level 1). It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date and financial instruments like mutual funds for which net assets value (NAV) is published mutual fund operators at the balance sheet date.

Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximize the use of observable market data where it is available and rely as little as possible on the company specific estimates. If all significant inputs required to fair value an instrument are observable. Derivatives included interest rate swaps and foreign currency forwards.

Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.
